- identifying yourself with your residence permit or passport (student ID is not acceptable)

IMPORTANT!

Please note, that you need to pay the monthly fee for the month in which you obtained your private insurance. This means that even if you take out the insurance at any point during a particular month, you would still be required to pay the fee for that entire month.

It is important that you clearly understand what events are covered under the insurance you wish to take out.

Before taking out the insurance policy, please read carefully the documents below which are integral parts of the insurance policy.

Please be advised that as set forth in the policy conditions and in the Product Information, there are cases which are not covered under this insurance, or where the benefit payment is limited, or where the Insurance Company may be relieved from benefit payment.
